

CASE STUDIES - NEXTAV™ POC Accessories

Transportation

NEXTAV Model H2 and H3-B are being deployed by a leading US company in Ohio, US. H2 and H3-B are used as Zello's accessories which are being used by 300 drivers and employers across the organization.

Logistics

NEXTAV Model H2, PTT-Z, and PTT-U2 are used by a leading courier company in the UK.

Leisure

- NEXTAV Model PTT-U2 for Zello is used by a group of skiers in the UK for a foreign ski trip.
- NEXTAV Model PTT-U2 for Midland BTTalk is used by a group of motorcyclists in Italy. In this case, PTT-U2 is paired with a smartphone which runs Midland BTTalk App in the background.
